

## This Month: Communities worship

This month your children will learn about stories from the Bible about worship. When we get together as a family of faith to praise God, share our joys and concerns, learn something new from God and each other, we are worshipping. The first story your children will hear is about the sacred tent, sometimes called The Tabernacle, God's people built when they were in the wilderness.

Then they will hear about David's praise parade with the sacred chest, the Ark of the Covenant, and how he danced for God. Then they will hear about the Temple Solomon had built for God's people to gather for worship. Finally, they will hear Psalm 100 which encourages all of us to worship God with triumphant shouting and joyful celebration.
